

# WATER'S PATH, WHAT A MAZE!

The plans of the water network in Conscious Charlie and Wasteful Wally's town were lying on Crystal Clearwater's desk, but a gust of wind scattered everything. Join the Fantastik'eau crew and try to put the stages of the urban water cycle back in order.

## MISSION 03 : THE URBAN WATER CYCLE

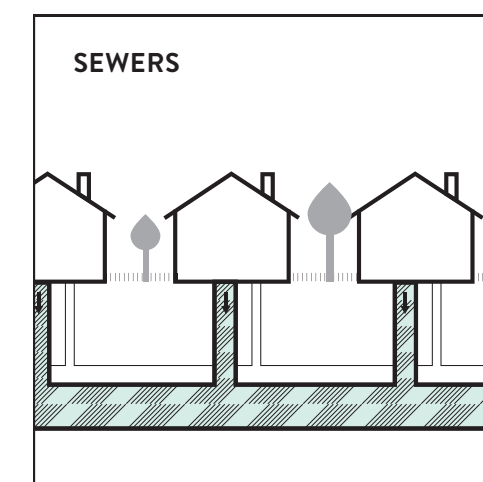

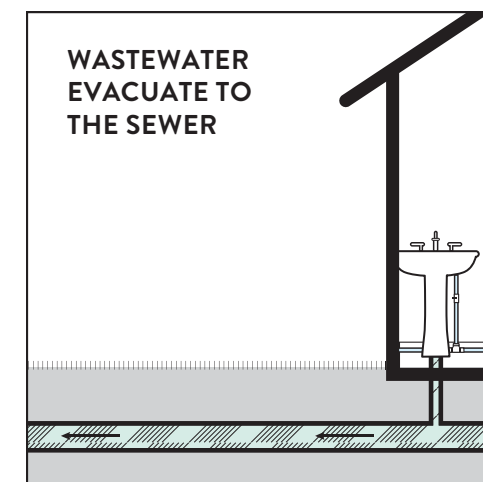

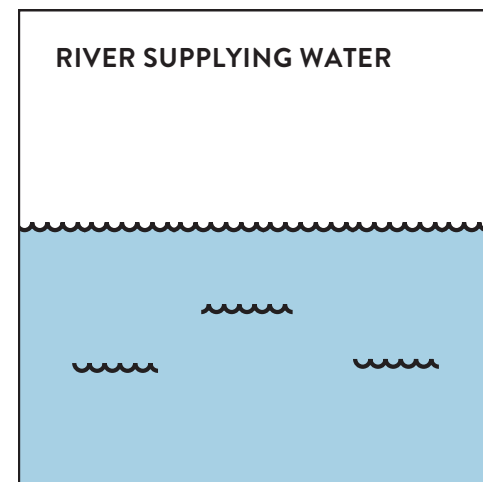

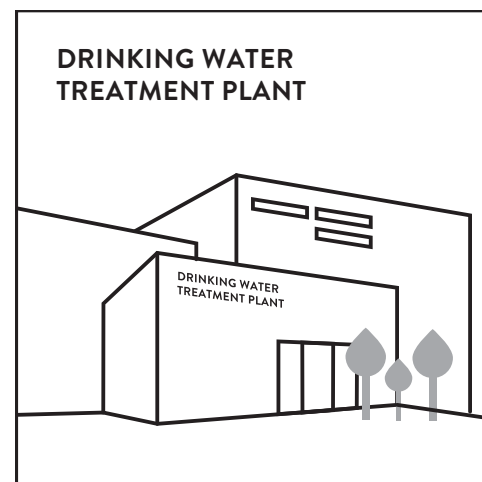

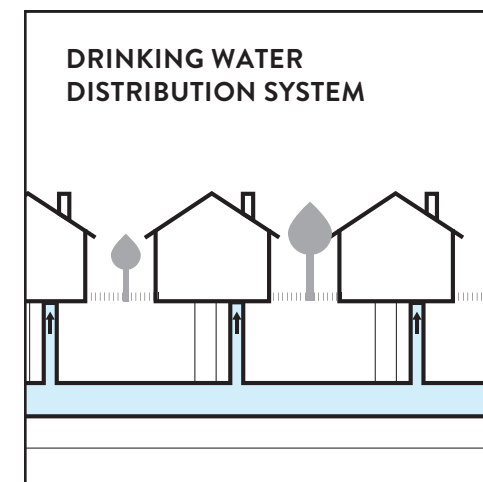

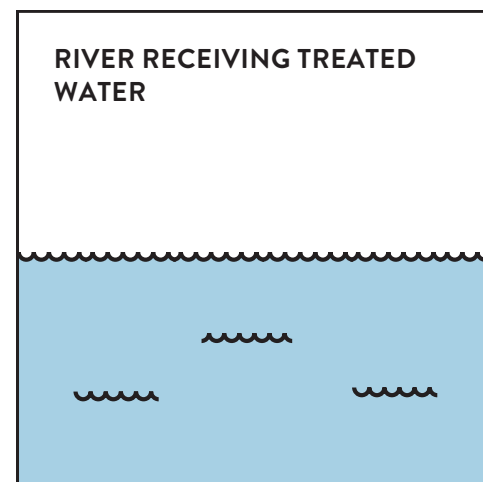

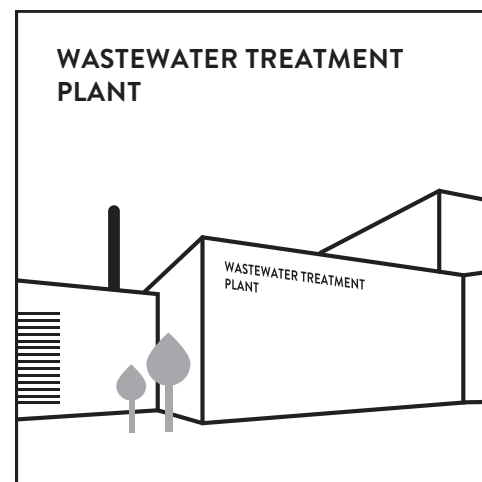

### YOUR MISSION

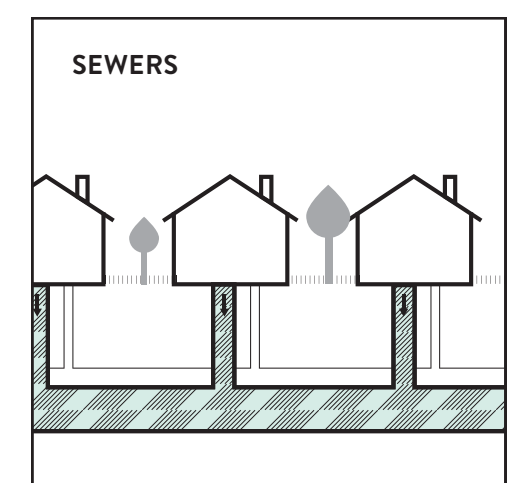

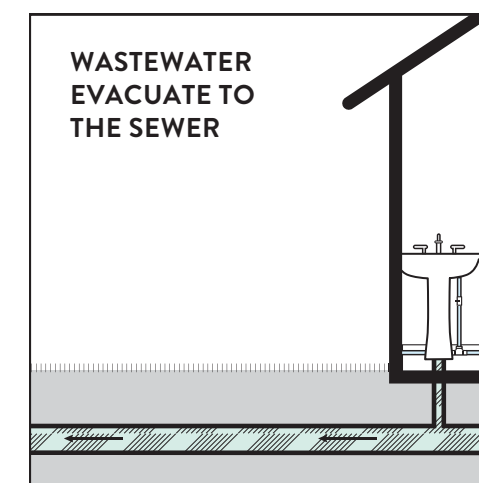

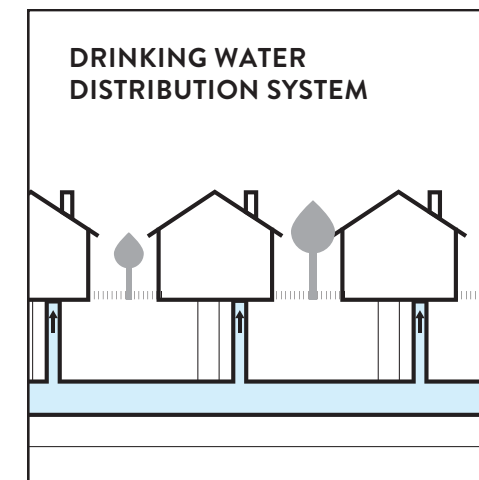

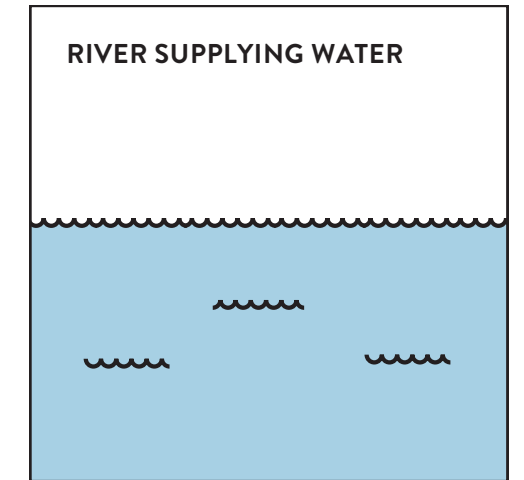

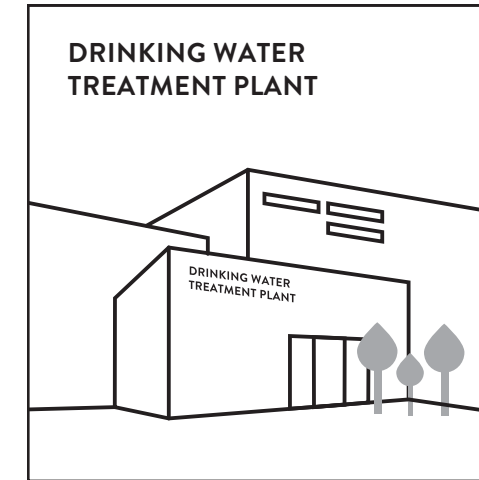

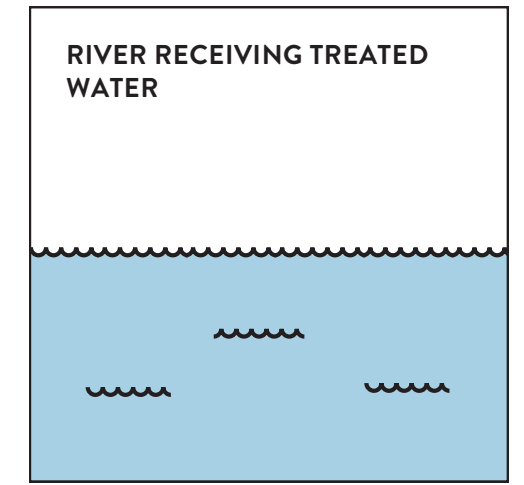

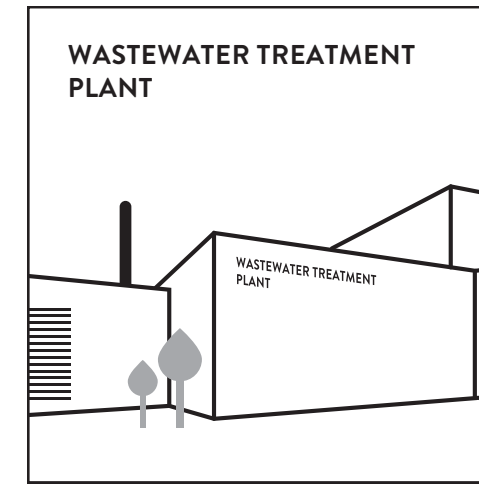

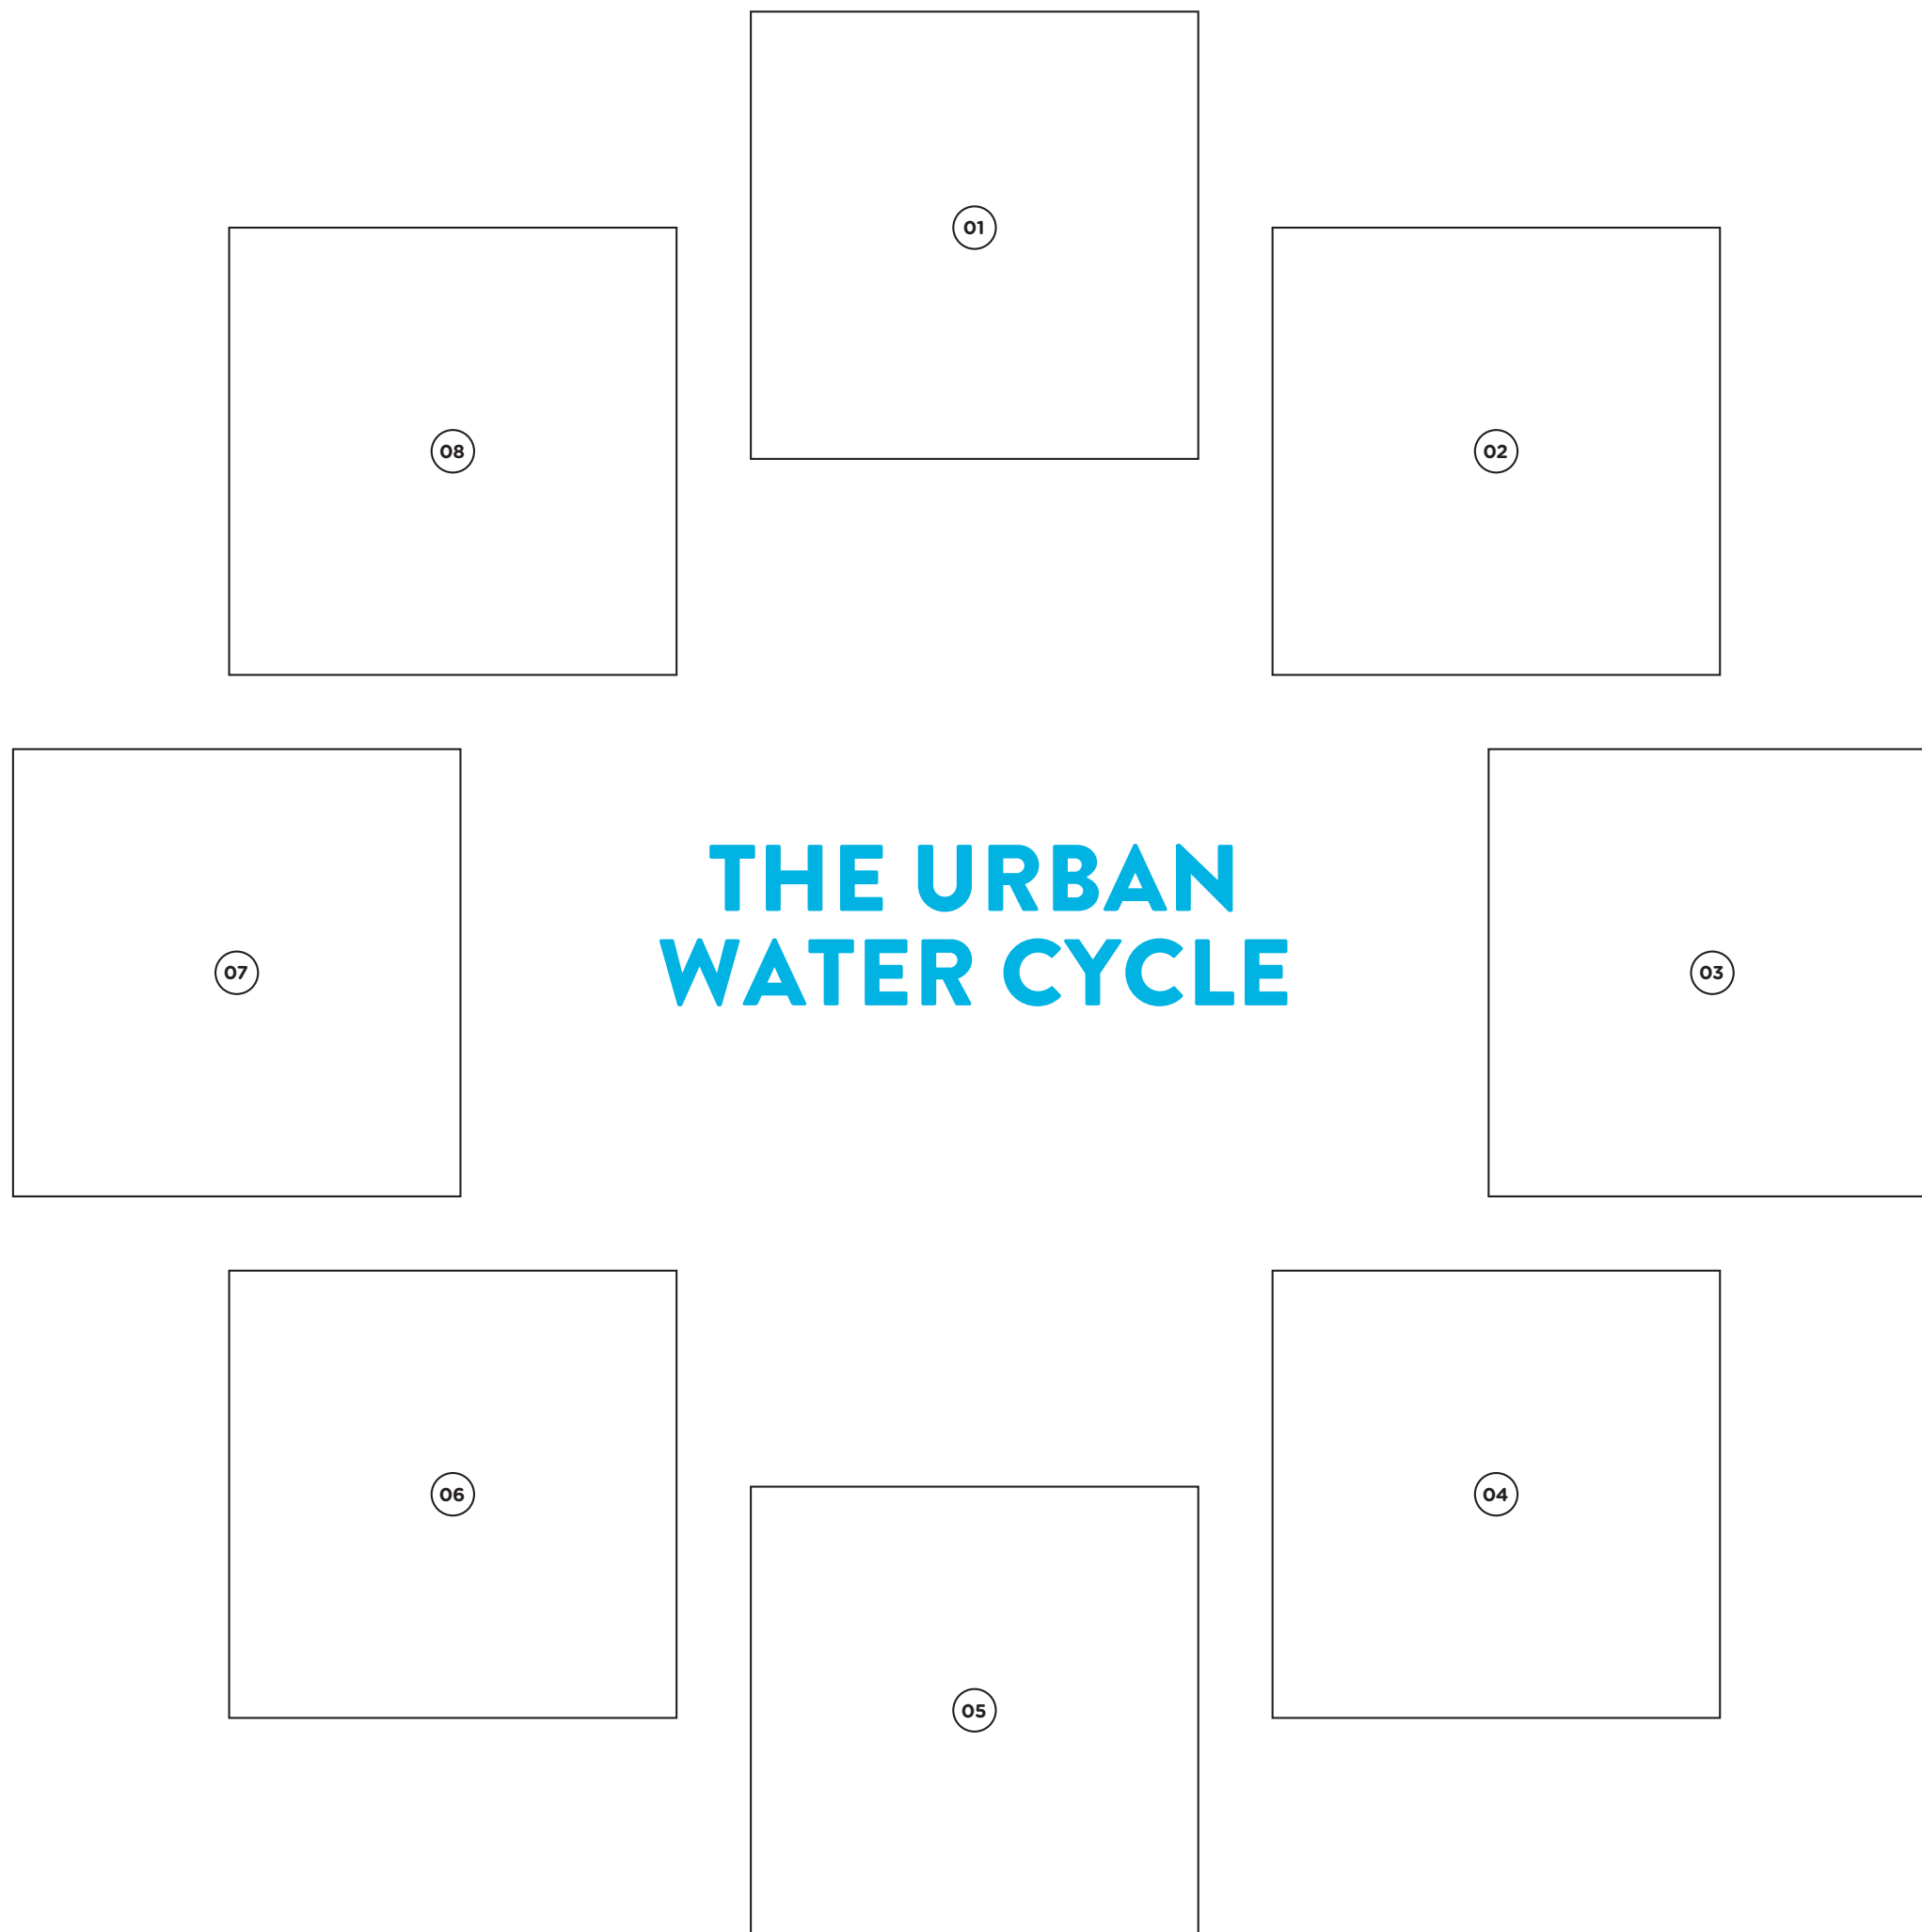

Put the images in the correct order.  
They must form a circle—like the  
urban water cycle!

### HINT

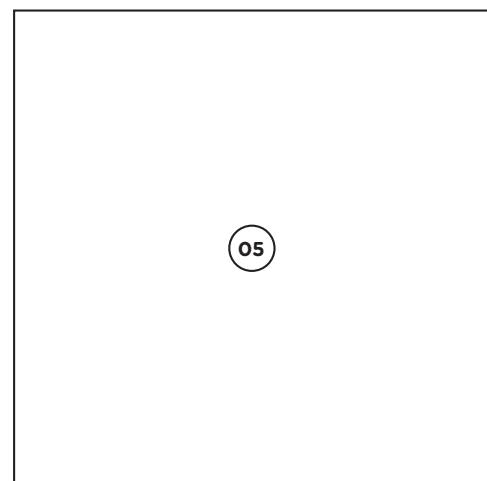

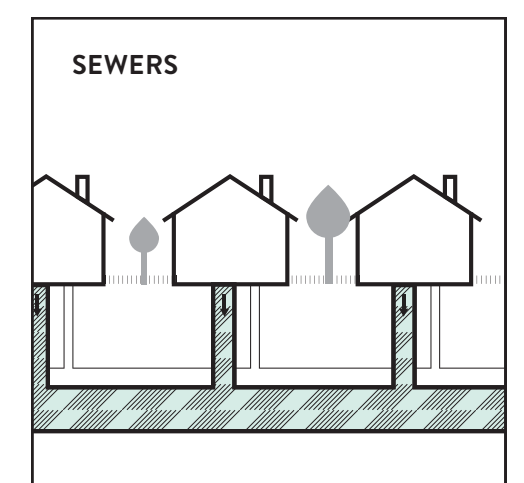

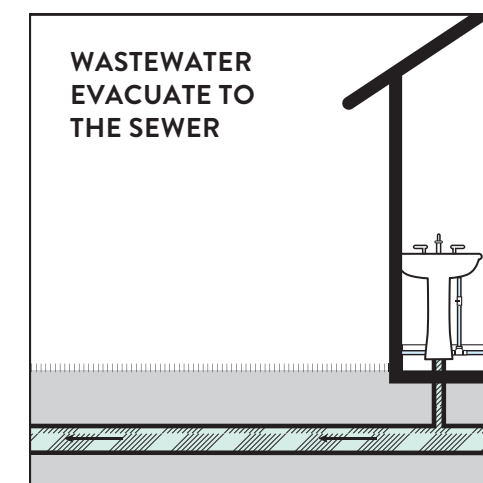

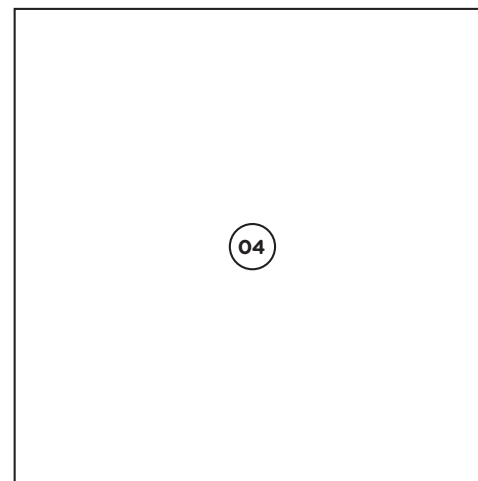

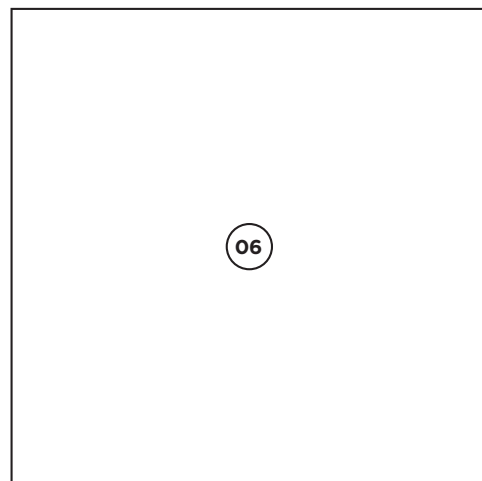

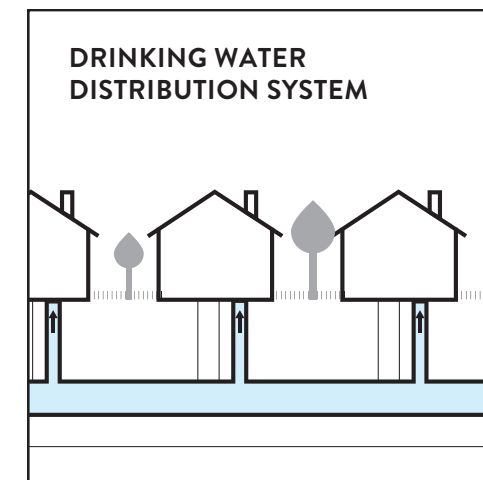

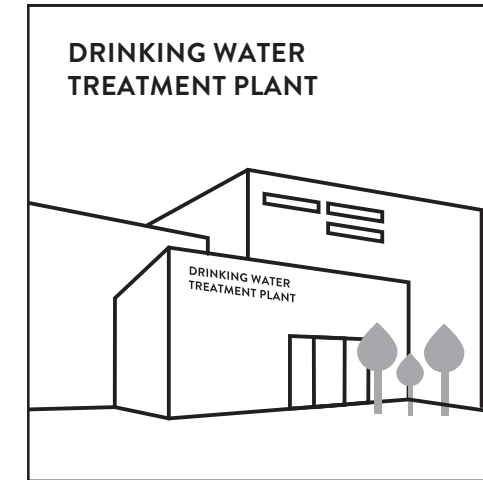

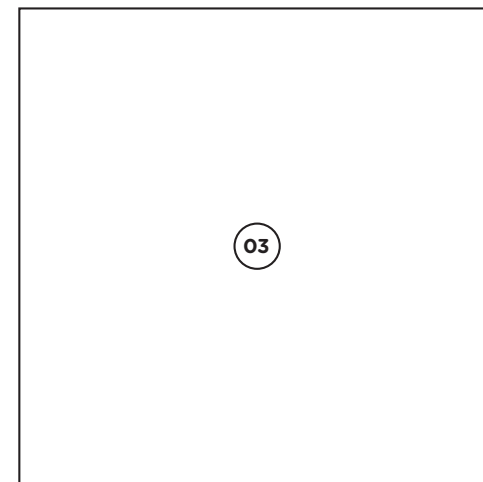

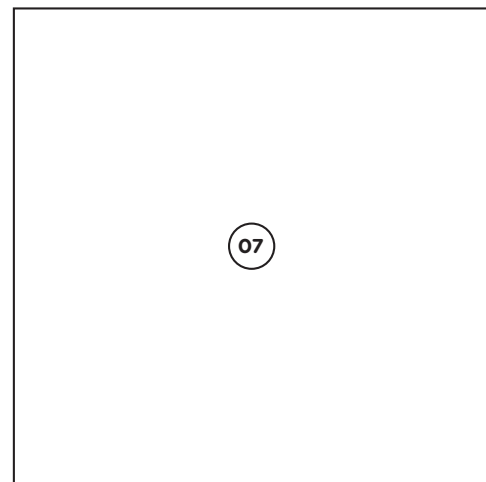

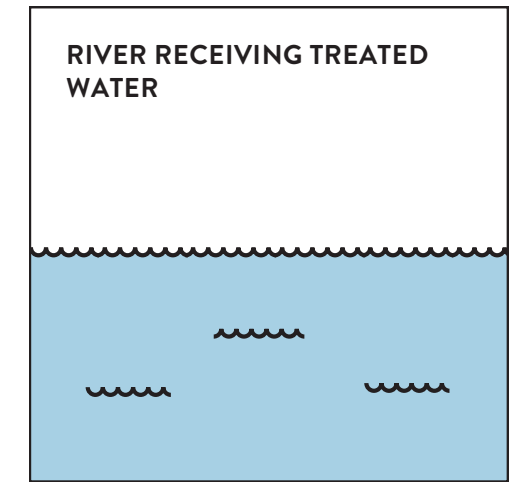

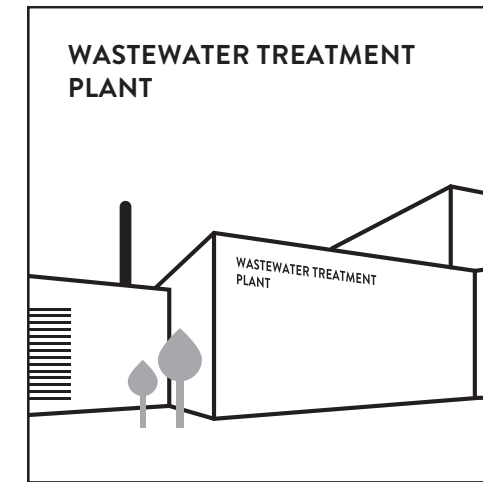

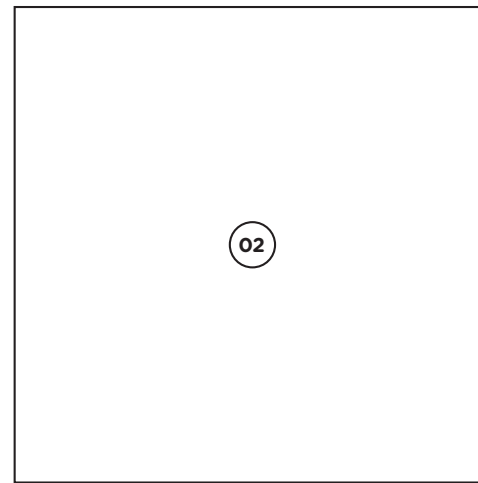

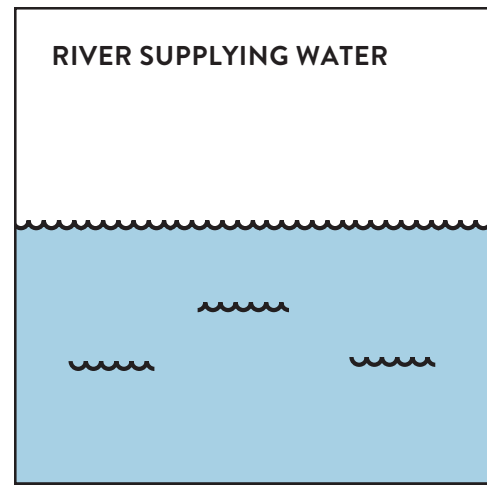

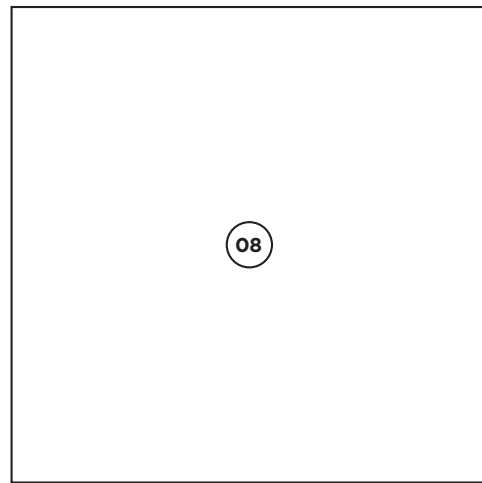

Start with the river that provides the water,  
and finish with the river that receives  
the treated wastewater.
